Normally, export deliveries of loading units are possible 24 hours before train closing, but this cannot be guaranteed basically.

All national as well as international schedules of EUROGATE Intermodal GmbH are based on the schedules published by DB Netz AG. The compliance of the indicated timetables assume unhindered conditions of carriage both on rail and road. Any liability on our part for deviations within a.m. schedules and possible resulting delivery delays due to events we cannot foresee, that are beyond our control or for which we bear no responsibility, such as load clearance bottlenecks at the sea ports/inland terminals, is therefore excluded.

Status January 16, 2024 - adjustments and alterations reserved.
